

## Join WME at ISBL Annual Conference 2018

WME are delighted to be exhibiting at this years 'Institute of School Business Leaders' annual conference in November.

For the third year running WME will be exhibiting at the annual conference in Birmingham. This follows on from attendance at an ISBL regional conference earlier this year in North Wales as well as unaffiliated events in both Bristol and Worcester.

The event is being held at the Hilton Birmingham Metropole on the 15th and 16th November. WME will be exhibiting across both days and would invite all exhibitors to visit our stand and say hello. You never know, we may be able to help you save some money on your energy contracts - You will find us at stand 66!

Business Managers can register for their place at the event at: <https://isbl.org.uk/National-Conference>
